Achievement Day Set For Wednesday April 25th

EAST JORDAN TO BE THE MECCA FOR CHARLEVOIX COUNTY'S 400 CLUB MEMBERS

Charlevoix County's 400 club members will place on display about 1000 articles in the East Jordan High School Gym on the afternoon of April 25. Leaders will bring their exhibits in after school on Wednesday so that the exhibit can be judged in the evening. The exhibit will be open to the public that evening from 7:30 to 9:00 p. m. Miss Mollie Vasold, state club leader, and Quinton Ostrander, 4-H club agent, will judge the exhibits. The 4-H members will gather for their day on Thursday, April 26, and will begin their program with a free movie at the Temple Theatre at 10:00 a. m. Here they will see the film "The West Point Story". The afternoon program which starts at 1:30 p. m. will feature a dress revue in which more than 150 girls will model garments that they have made in sewing or knitting. Chairman of the dress revue will be Mrs. Homer Nasson, Route 2, East Jordan.

Just prior to the dress revue a special contest for boys will be held. This will be a board sawing contest with one boy from each handicraft club competing. Suitable prizes will be awarded.

Miss Mollie Vasold will present the county honor roll and awards of county medals will be made to outstanding project members.

All through Achievement Day, the doors will be open to the public at 9:00 a. m.

By far the greatest number of projects will be exhibited from clothing, knitting and handicraft members.

K. C. Festerling,
District 4-H Club Agent.

F. F. A. Honors Five Local Men

Thursday evening the East Jordan Gym was the scene of a very sumptous affair. A hearty meal of fried chicken and trimmings was enjoyed by all.

E. E. Wade, George Klooster, Howard Darbee, and Clayton Healey, were awerded honorary membership in the East Jordan F.F.A. Chapter for their meritorious service. John Looze was given the outstanding Senior award for his four years of work in the F.F.A. He has been an officer, member of the Potato Judging team, parliamintary procedure team and committee member

Dean McPherson was presented on F.F.A. for the outstanding citizenship award. Several boys gave short talks on the following chapter activities: Earl Morrison, Apple judging; Gene McPherson, Potato judging; Earl Bennett, National convention; Ken Shepard, F.F.A. truck coop; Lawrence Chanda, State Convention; Steve Hayden Jr. D. H. I. A.

Roy Adkins welcomed the dads and Bill Shepard responded for the Dads. Ted Malpass led the group singing and a special number was sung by Bill Walker.

Ed Rebman introduced Dale Butz of M. S. C. who gave a fine talk on "Facing Tomorrow."

Jim Shepard was Master of ceremonies, Gordon Danforth and Ken Ssepard had charge of food. The freshman boys had charge of setting up the tables and cleaning up. Mrs. Kiser and Mrs. Weldy prepared the meal.

James Malpas, 92 Former E. J. Resident Dies at Muskegon

James Malpas, 92 years old, retired Machinist of Sealed Power Corporation, died Saturday, April 14th at his home, 1976 Clinton Street, Muskegon after three months illness.

Born in Dursley, Gloucestershire, Ireland, Oct. 2, 1858, Mr. Malpas spent his early years there and was married at Chepstow to Miss Elizabeth Marment, Oct. 26, 1885. Two days later they sailed for America and located at East Jordan, where Mr. Malpas was in business formerly with his brother, W. E. Malpass, in a Machine shop and foundry.

In 1922 Mr. and Mrs. Malpas moved to Muskegon. He retired from the Sealed Power in June 1941. Mrs. Malpas died in Oct. 1941.

Mr Malpass was a member of Covenant Reformed Church.

He leaves a son, Ellis G. Malpas, Rock Ledge, Fla.; three daughters, Mrs. Lydia Farr, Mrs. Lydia Risk, and Mrs. Ester Dickie, all of Muskegon. Six grand children and twelve great grand children.

Funeral services were held Monday from the Hunt Funeral Home Muskegon. Interment in Muskegon Cemetery.

Mr. and Mrs. Richard Malpass, Theodore Malpass, Mrs. Laura Malpass, Mrs. Flora Lewis, Mrs. Harry Watson and Mr. and Mrs. Howard Porter, East Jordan, attended the funeral.

LEGION BINGO

Every Friday night, 8:00 p. m. at our new home. 20 games. 1st card 50c, each additional card 10c. 5 special games 10c each. Pot of Gold for the final adv. 25 tf

HOME ECONOMICS JOTTINGS

A time saver when you're taking clothes from the line is to set up a card table near the middle of the line. When you take your clothes down, fold and pile them on the table. Then they're ready for dampening.

A good way to make use of small bits of different vegetables is to brew a pot of good old-fashioned vegetable soup, say Michigan State College home economists.

Standing brushes or brooms with bristles down will cause them to become warped and broken.

Store onions in an air-tight glass jar or cellophane bag and away from foods that absorb odors, say Michigan State College home economists. Put them where they will be kept cool.

"Young lady, I'll bet your mother would be angry if she saw you in that skimpy bathing suit."

"I'll say she would! It's hers!"

Donna Jean Olson Age 24 Years, Dies Suddenly

Donna Jean Olson of Saginaw was born at East Jordan, March 25, 1927, and passed away unexpectedly at Traverse City, Sunday, April 15, 1951.

She attended the Saginaw School for the Blind. Donna was a member of the Lutheran Church at Traverse City.

Surviving are her father, Ing Olson, a sister, Sonjia, East Jordan; a brother, Donald Lee, in the Air Corps at Glendale, Calif.

Funeral services were held Wednesday April 18, at Watsons Funeral Home East Jordan, conducted by Rev. L. C. Grueber, Traverse City. Bearers: Richard McKinnon, Wm. Lyons, Gerald Olson and Ray Olson. Interment at Sunset Hill. Relatives and friends from a distance at the funeral were: Mrs. Thelma Lyons, Mr. and Mrs. Wm. Lyons, Grand Rapids; Mr. and Mrs. Ted Bathke, Traverse City; Miss Helen Beach, Petoskey; Mrs. Wally Worth and son Carl, Moran; Mrs. Russell Conway, Gaylord; Mr. and Mrs. Ben Powell, Bellaire; and Donald Olson, Glendale, Calif.

They're Starting Again

DEPARTMENT REPORTS 86 FIRES ALREADY THIS YEAR

With the first forest fire in the upper peninsula, the conservation department cautions that nearly 1,000 acres already have been licked by fire in this year's earlier hazard season.

First upper peninsula fire, held to two acreas damage, was in the Escanaba district. Seventeen blazes were in the eight-county Gladwin district. Thirteen fires were in the southern third of the state.

According to the department's forest fire service, the latest and largest weekly toll, 39 fires and 163 acres damage, brings the total to 86 fires and 966 burned over acres.

Brush and debris burners and smokers are responsible for the majority of the fires each year.

Meet The Conservation Men

Harry L. Aldrich, regional chief of the Michigan Department of Conservation's Region II (the northern half of the lower peninsula) with headquarters at Roscommon, has been with the Department since 1929. He became regional chief January 1, 1948, date of the regional reorganization. From 1939 until assuming

HARRY L. ALDRICH

the regional chief position he was regional supervisor. Various other department positions he has held include district supervisor at Boyne City and assistant regional supervisor. Prior to 1929 he was employed by private companies and as a surveyor for the Oscoda county road commission. He served in World War I as sergeant with the 126th Infantry, Thirty-second Division, U. S. Army, in France.

A native of Minneapolis, Minnesota, Aldrich is 58.

CARD OF THANKS

We wish to express our sincere appreciation to the friends and neighbors for the many acts of kindness in our time of grief, the death of our mother, Mrs. Nettie M. Ferree. To Dr. Savory and to Mr. and Mrs. Martin Decker for the wonderful care given.

Sincerely appreciated by the family.

Mr. and Mrs. Ray Spence
16-1 Howard Ferree.

Community Camping Project

OPENS MONDAY, JUNE 18th AT CAMP OCQUEWAC

Recreational representatives from Pellston, East Jordan, Petoskey, and Boyne City met at the Petoskey High School Friday afternoon April 13th to discuss and formulate plans for the four-community camping project at Camp Ocquewac the last two weeks in June.

Robert Woodruff of the Petoskey Recreation Department acted as chairman of the meeting. East Jordan was represented by William Grauel and Coach Saxton.

Dates for this year's camp, which promises to be bigger and better than ever were set. Two sessions will be held. The first week's camp will get under way Monday June 18thh and conclude Saturday June 23rd. The second week's outing will start Monday June 25th and end Saturday June 30th.

East Jordan will be allowed 25 boys each week, Boyne City 25, Pellston 15, and Petoskey 35. Boys 8 to 14 years of age inclusive will attend. One counselor per 10 boys, or major fraction thereof, will be on hand.

The cost of this year's camp will be $10.00 per boy per week. Any boy wishing to attend both weeks may do so providing the total camp enrollment is not filled. The cost per individual this year is higher than last summer, made necessary by the higher costs of living and the hiring of a full-fledged cook for the two week period.

Coach Saxton and Mr. Grauel expect to receive registration blanks early next week. Registration must be completed by Friday, June 1, 1951. Any organizations or individual wishing to send a boy to camp may do so by contacting either Saxton or Grauel.

The next meeting of representatives of the four communities sponsoring Camp Ocquewac will be held Friday evening, June 1, 1951, at the Petoskey High School.

Must Have Fishing License For Smelt and Suckers

Conservation officers hate like blazes to arrest a man fishing without a license, so this is a reminder that you must have a license ($1.50) also for fishing smelt and suckers. Trout season opens April 28th and this will cost you another buck for the stamp.

The Men of Song Close Northern Michigan Com. Concert, April 20th

The Men of Song, versatile quartet of four male voices will close the 1950-51 Northern Michigan Community Concert Series with a Concert at the Petoskey High School Auditorium on Friday, April 20.

Veterans of three years on the concert stage, numerous appearances in radio, television and records, each of the four singers has a full musical background and education. Recently the quartet was named one of the ten best musical attractions in America by the National Society of Music. The key to their ability to delight audiences of all types lies in the individual musical training and experiences of the Men of Song.

The Men of Song Quartet is composed of John Campbell and Alfred Kunz, Tenors, Roger White, Baritone and Edmond Karlsrud, Bass. Charles Touchette is the arranger and accompanist.

Members of the Northern Michigan Community Concert Association have an opportunity following this final concert of the season to sign-up for the 1951-52 series. The drive for membership is planned for the Month of May.

Her 80th Birthday Anniversary

Mrs. Duncan McMillan was honored on her 80th birthday at a dinner held at the home of her daughter, Mrs. Bert Bennett, April 14th. Dinner guests included: Mrs. Orrie Boring and children, Mr. and Mrs. Clarence Murray and son, Max and Kenneth of East Jordan; Joyce Murray, Grand Rapids; Dale Murray, Mrs. Wilmer Barber and daughter Cheryl, Mr. and Mrs. Doyle Barber and son, Detroit; Mrs. Carm Call, Blemhein, Ontario, Canada; Mr. and Mrs. Robert Bennett and son Terry Dearborn.

Asked if he'd like to see a model home, the man replied, "Where does she live?"

1st, Prize: $50.00 U.S. Goverment Bond.

2nd, Prize: $25.00 U.S. Goverment Bond.

Judges will be announced at a later date, and all decisions to be final; no essays returned.

Forest Fires Five Years Ago to be Shown on Screens

High rolls of smoke and belching flames are going to spread across state theater screens as a grim reminder to patrons of the seriousness of Michigan forest fires.

The conservation department says some of the most thought-provoking forest fire scenes ever caught by motion picture camera will be screened first in the Detroit area. The one-minute fire trailer eventually will be seen in nearly all theaters in the state. Many prints will be distributed.

Scenes are of an actual fire in the nothern lower peninsula five years ago.

South Arm Grange

South Arm Grange held an open meeting Saturday night with a very good neighborhood attendence. The South Arm 4-H club furnished the entertainment. The Handicraft and Knitting clubs with a very nice display of their work completed for this year, and the Sewing club girls entertained with a style show that displayed some ver nice dresses.

Pot luck supper was served at the close of the program.

Next regular meeting will be held April 28. A pot luck supper will be served at the close of meeting.

Cancer Drive is on in County

DONATIONS SOLICITED FOR THIS MOST WORTHY CAUSE

The Charlevoix County Unit of The American Cancer Society for the next two weeks will have their drive for funds.

The American Cancer Society is not connected with "any other organiztion." At present there are 25 cases of cancer in the county, a number of which we are assisting with money, drugs and dressings.

Yur donations no matter how small will be greatly appreciated.

When one of the workers call on you, please remember, she is giving her time and doing her job for a worthy cause.

Barnes Family Has Birhday Party

A supper at the home of Mr. and Mrs. Ernest Barnes, Friday April 13th, an Maple St. was prepared by his daughter, Mrs. Phil-76th birthday. It was also Mrs. lips Fisher in celebration of his Fisher's and Mrs. Alfred Walton's birthday.

Guests included Mr. and Mrs. Alfred Walton, Angus McKay and Rev. Gay, Central Lake; Mr. and Mrs. Henry Redford, Alanson; Mr. Barnes sister, Mrs. Gertrude Bennett, East Jordan; a nephew, Solon Barnes, and son Bud of Limestone.

There were six birthday cakes and many nice gifts were received. Among them a Rod and Reel as fishing is Mr. Barnes favorite sport. It was a gift from his son-in-law and daughter of Flint, Mr. and Mrs. Raymond Henry, and son and wife, Mr. and Mrs. Elwood Henry.

Baseball Schedule Opened This Thursday

RED DEVILS TANGLE WITH BOYNE CITY, DESPITE BAD WEATHER

East Jordan High School will attempt to get its 1951 baseball schedule underway here Thursday afternoon (today) at 3:00 p. m. at the West Side Ball Park when the Red Devils tangle with a strong Boyne City nine in the conference opener for both of the schools.

Both Boyne City and East Jordan have been greatly hampered by the weather this spring. Most of the local practice sessions have been held indoors in the high school gymnasium to date and as yet Coach Saxton has not had a real look as his candidates.

Elwin "Red" Evans, senior portsider, is expected to get the pitching assignment for the season's opener Thursday afternoon. Max Sommerville more than likely will be behind the plate.

The starting infield is expected to be built around veterans, Don Whiteford and Bryan Boring, both seasoned players at shortstop and first base respectively. Keith Evans at third base and Clinton Clark at second round out the probable infield starters.

Starting outfield assignments could go to Larry Huckle in left, Sam Milstein in center, and Bill Addis in right. Reserves, Steve Hayden, Richard Dipzinski, Richard Freeman, Ray Gee, Earl Bennett, Gene McPherson, Ronald Wilson, Robert Thomas and James Shepard, are likely to see some action Thursday.

Marriages

Braman — Pearce

The marriage of Barbara Braman to Bernard Pearce was solemnized Saturday evening, April 14th, in a candle light service at the Presbyterian church. The bride is the daughter of Mr. and Mrs. Burl Braman, East Jordan; The groom is the son of Mrs. Dortha Graham, East Jordan, and Mr. Stanley Pearce, Bowling Green, Ohio.

The double ring ceremony was read by Rev. Edward O. DeHaven before an altar decorated with baskets of white gladoli.

Mrs. Flora Lewis played the traditional wedding music and Mrs. William Grauel sang "At Dawning" and "Because."

Given in marriage by her father, the bride wore a white taffeta gown with a scalloped neck line, fitted bodice, cap sleeves and a full skirt and long white mitts, her fingure tip veil of white illusion edged with lace was held in place with a halo trimmed with seed pearls. The bride made her wedding gown. She carried a nosegay bouquet of white carnations and white sweet peas. Miss Luanne Fales, Maid of honor, Mrs. Ester Davis and Miss Marjorie Keller, bridesmaids, wore identical gowns of aqua taffeta and carried nosegays of pink sweet peas and white carnations. Beverly Braman, sister of the bride, served as flower girl. She wore a flowered dimity gown and carried a basket of white daffodils.

Wayne Pearce was his brother's best man. Donald Braman, brother of the bride and Eugene Pearce, brother of the groom, seated the guest.

Mrs. Braman chose a white and brown print dress for her daughters wedding. Mrs. Graham wore an orchid print dress. Both wore corsages of white carnations.

Following the ceremony a reception was held in the church parlors, about 80 guest were present. The brides table covered with a linen cloth was centered with a five tier wedding cake, baked by Mrs. Ira Foote, long white tapers in crystal holders. The refreshment table, covered with a lace cloth, was centered with a flower arrangement of white daffodils and white stock flanked with lighted tapers in crystal holders. Those who served included: Mrs. R. G. Watson, Mrs. Wm. Malpass III, Mrs. Richard Malpass and Mrs. Harry Watson. Mr. and Mrs. Howard Porter served as Master and Mistress of of ceremony.

The bride and groom are graduates from East Jordan High Scool with the class of '50.

Mr. and Mrs. Pearce will make their home at Bowling Green, Ohio, where Mr. Pearce is employed.

Out of town guests included: Mr. and Mrs. Arthur Katzenmeyer, Mr. and Mrs. James Katzenmeyer of Elkhart, Ind.; Mrs. George Katzemeyer, Mr. and Mrs. Stanley Pearce, of Bowling Green, Ohio; Mr. and Mrs. Dale Gallier, Mrs. Armitage, Toledo, Ohio; Mr. and Mrs. Kay C. Braman, Mrs. Ida King, Angola, Ind.; Mr. and Mrs. Leonard Roust, Reading, Michigan. Mrs. Dilla J. Milne, Detroit; and Mrs. Arthur Braman of Hillsdale.

Nettie M. Ferree, 72 Passed Away April 12 In East Jordan

(From Central Lake Torch)

Nettie M. Ferree 72, passed away Thursday, April 12 at the Decker Convalescent Home in East Jordan of coronary thrombosis.

Nettie M. Groh was born in Central Lake October 15, 1879. The late William Derenzy's raised her from an infant. She spent most of her life here. In 1900 she was married to James Ferree who preceded her in death in 1940. A housewife by occupation, she was also a member of the Free Methodist Church of Pleasant Valley. Mr. and Mrs. Ferree adopted three children, Leroy, who drowned while ice skating while still a small boy. Later they adopted Howard Ferree and Leona Spence.

Surviving are Leona (Mrs. Ray) Spence of East Jordan and Howard Ferree of Pleasant Valley. One brother, Thomas Rushton of Flint. Two half sisters preceded her in death, Mrs. Suzey Petrie and Mrs. Vina Coburn.

Rev. Glen Cornett had charge of the funeral services held at the Diton Funeral Home Sunday, April 15, at 2 p. m. Burial in the family lot in Dunsmore Cemetery, Pleasant Valley.

Mr. and Mrs. Hzen Coburn of Holt, Mr. and Mrs. Fred Webb of Lansing and many other friends and relatives attended the funeral.

Highest Death Toll Since 1941

TRAFFIC ACCIDENTS TOOK LIVES OF 1,607 PERSONS DURING 1950

Traffic accidents in Michigan took the lives of 1,607 persons during 1950, the highest death toll for any year since 1941, according to the annual traffic accident experience report released by State Police Commissioner Donald S. Leonard.

For the third consecutive year, motor vehicle registrations and total travel reached new all-time highs, accompanied by new highs in total number of accidents and persons injured.

Deaths increased 166 or 12 per cent over 1,441 in 1949. Injuries totaled 45,734, up 4,087 or ten per cent over 41,647 and accidents numbered 161,750, an increase of 18,553 or 13 per cent over 143,197.

There was a daily average of 433 accidents, 125 persons injured and more than four killed. The death rate per 100 million miles was 7.3, or two per cent over 1949 but lower than any other year on record.

There were 2,439,593 registered motor vehicles, including 2,177,662 passenger cars, 211,797 commercial vehicles, 73,187 farm vehicles and 19,569 motorcyles. This was an average of one vehicle for every 2.6 persons in the state. Total travel exceeded 22 billion miles, an average of slightly more than 9,000 miles per registered vehicle.

Although only one-sixth of all accidents occurred in rural areas they resulted in more than one-third of all injuries and more than two-thirds of all deaths. Rural fatalities were up 12 per cent over 1949, with the highest percentage of increase on the rural trunk line system.

More than half of the fatal accidents occurred in periods of darkness although less than one-third total mileage was traveled during those hours. Saturdays and Sundays accounted for two out of five of the deaths.

One or more drivers were violating traffic laws in 71 per cent of the fatal accidents and mechanical defects were reported in ten per cent of all cars involved.

Pedestrian deaths totalled 403, the lowest since 1944. More than 60 per cent of the victims were over 45 years of age and about 20 per cent were children.

Michigan's traffic toll for the past ten years now stands at 14,111 persons killed and 343,766 injured in 1,153,253 accidents cost 975 million dollars in wages lost, medical care, insurance expense and property damage.

PLEASE

Will those preparing copy for our weekly issue, get same into the office as early in the week as possible. The deadline is Tuesday night for everything but locals and want-ads.

If an event happens on Tuesday or Tuesday night, articles will be accepted until Wednesday noon. However there is no valid reason for waiting until the last minute for articles of events happening over the week end.

With limited typesetting facilities, it is imperative that all copy to be set not be delayed until the last minute.

Your cooperation will be appreciated.

— The Publishers.

Right For Industry Because It's Great For Living

Full-page ads appearing in national magazines this month exclaim in heavy black type that Northwestern Michigan is "Right for Industry Because It's Great for Living!"

The ad, in the current issue of Business Week, is published by Consumers Power Company on behalf of communities in its Northwest Division, which covers an area of 6,000 square miles from Mackinaw City to south of Reed City, and from Gaylord west to Lake Michigan. The ad will appear in Time Magazine's April 16 issue and in the Sunday New York Times on April 22. It will be reprinted in 24 Michigan newspapers.

"Much of Michigan's finest summer and winter resort country is in Consumers' Northwest Division, a region containing thousands of square miles of wooded hills and valleys, lakes and streams," the text says.

"What better place for an industry or branch plant could be found than a good small town in a region where people really enjoy living? Where your personnel—and you, too—can forget your cares while whipping a trout stream or enjoying a steak roast on a moonlit shore," the ad continues.

This message is printed beneath an attractive map of the area, showing the towns of Mackinaw City, Pellston, Cheboygan, Harbor Springs, Petoskey, Charlevoix, Central Lake, Boyne City, Gaylord, East Jordan, Bellaire, Northport, Suttons Bay, Traverse City, Elk Rapids, Mancelona, Frankfort, Kalkaska, Grayling, Roscommon, Manton, Manistee, Cadillac, McBain, Marion, Reed City and Evart.

One of Consumers' series of national advertisements promoting Outstate Michigan as a place to locate a business or industry, the ad lists such advantages of location in Michigan as its high percentage of skilled workers, wide range of materials, parts and supplies, desirable plant sites, and many others.

The series itself has been in progress since January, 1950.

He: "You mean your neighbor was knocking on the wall at three this morning?"

Him: "Yeah, it was so noisy I could hardly hear myself practising on the trumpet!"

Michigan Mirror

Non-Partisan News Letter

The highly-touted bi-partisan policy of Gov. G. Mennen Williams has blown up in his face and possibly his entire tax program with it. When the governor promised to veto any gas tax bill exceeding three-fourths of a cent per gallon, Rep. Victor A. Knox (R-Sault Ste. Marie) said Williams "was out of line" and left the executive office.

Speaker of the House Knox had gone on record as favoring a corporation levy. Now he says, "Perhaps not all Republicans feel the same."

Prospects are fading that the legislature will enact any kind of a corporation profits tax.

The Michigan TB sanitorium commission has been instructed to proceed with plans for a 200-bed sanitorium in Kalamazoo. Building program is expected to be limited to $5,000,00 for TB and $60,000,000 for mental hospitals.

Twenty senators have demanded that the TB commission also make a 30-day study of state needs at both state and county levels.

Abolition of the Michigan unemployed compensation commission and increases in unemployment benefits have been proposed by the legislature. The measure would raise maximum benefits $24 to $30 per week for unemployed without children. Dependents allowance would raise from $2 to $3 up to three.

A single commissioner to be appointed by the governor, would administer the system. Tom Downs, current commission chairman, long ago recommended this move.

If Michigan's traffic death toil continues at its present rate, more than 2,000 persons will die on state highways and streets in 1951. First two months of this year saw an increase of 29 percent over that period of last year. All-time yearly high was 2,175 in 1937.

More than 11,000,000 visitors to Michigan's 60 state parks and recreation areas are expected this year. One request for information has come from S. H. Rajapakse. His home? Matara, Ceylon.

Michigan's nationally-unique mass blood typing program has advanced to the collection stage. State defense council has approved a plan to establish 698 blood collection stations in 51 counties to gather as much as 200,000 pints of blood in 24 hours, should it be needed.

But Dr. F. S. Leeder, director of state health department bureau of disease control, believes biological warfare is more "imminent" than atomic bombing. But he adds that department of health in the U.S. could prevent any long-term outbreaks of disease.

A Michigan car has been reported with TV set in the rear seat. The legislature immediately introduced a bill making it illegal to equip an automobile with television in such a way that it would distract the driver.

The automobile industry's current contracts for aircraft engines top production orders of World War II. Eleven contracts now are held or are being negotiated. During World War II the industry built 455,522 engines.

Over the entire country production capacity has increased so much that despite the defense program we have surpluses in a number of lines, price cutting in a few and onld scattered layoffs.

A preliminary estimate of the state's winter deer kill has been placed at from 35,000 to 50,000 whitetails. Cause? Heavier than usual snow which covered forage.

Examinations are seen now only as a delay in being drafted—not exemption. The decision, of course, will rest with local draft boards. But the military training program — if any — still is confused as ever.

John B. Martin, auditor general, proposes that college students be inducted same as other eligibles and then assigned to whatever educational training programs are needed.

Selective service boards received instructions last week to halt May calls, pending revision from Washington.

He: "How did you find New York women?"

Him: "The same as at home—by whistling."

Bowling News

The Top O' Michigan ladies tournament held in East Jordan April 13, 14 and 15th was the most successful this year of all four years that the event has been so far as entries were concerned. There were 19 teams, 30 doubles and 59 singles entered. Much credit is to be given to the president and secretary of the Association who devoted so much of their time in obtaining the entries. They are Minnie Des Jardins and Thora Kotowich. When the last ball was rolled, the final standings were as follows: 1st place Team Eevnt, State Bank, E.J.—2880; 2nd place, Kadens, Boyne City, 2844; 3rd place, Bank of B. City, 2839; 4th place, Dip's Tavern 2799. 1st Place Doubles, M.E. Taylor-Mabel Hudkins 1186; 2nd Place Betty Huntley-Billie Burnett, Central Lake 1159; 3rd place Donna Anderson-Bertha Webster 1148. 1st Place Singles Merry Strehl 644; 2nd Place M. Breakly 634; 3rd Place Flossie Bullock, Central Lake 609. Mary Lou Breakey took top honors in the All Events with 1813. Next year the tournament is scheduled to be held in Boyne City.

In the Ladies league this week the Dress & Gift Shop still holds the lead for 1st place by 3 points. They defeated Michigan Cleaners by winning all four points. The Canning Co. in 2nd place won all 4 from their opponets Club 131. Bachman's won 4 from Recreation Jrs. too. Dip's Tavern and Recreation split 2 and 2. State Bank took 3 from Home Modernizing, as did Rainbow Bar from Thorsen Lumber. The Canning Co. took all top honors of the evening with Mickey Hamerski having high series of 550, Betty Jo Strehl having single game of 213, the team having high singles game of 732 and high team series of 2149. In the tie game roll off between Dip's Tavern and the Canning Co. from last weeks match, Dip's won the play off.

Team Standings:	W	L
Dress & Gift Shop	40	16
E.J. Canning Co.	37	18
Dip's Tavern	35	21
Bachmen's	32	24
Recreation	32	24
Michigan Cleaners	27	29
Thorsen Lumber	25	31
Club 131	25	31
State Bank	23	33
Recreation Jr.	22	34
Home Modernizing	19	37
Rainbow Bar	18	38

In the Merchants League Dip's Tavern set the pace by winning 4 points from the E.J. Canning Co. Second place Monarch Finer Foods won 3 points from the State Farm Insurance, while last place Ellsworth won 3 points from St. Joseph. Other teams to win 3 points were the Anchorage, and the American Legion who outbowled the State Bank and Recreation respectively. First place Sommerville's dropped a pair of games to Thorsen's Lumber Co., but won total pins along with their middle game to give the two teams a split for the night

Over twenty bowlers in the league hit 500 or better, high game and high series for the league going to Monk Cihak who rolled a 215 game in a 594 series. Monk is the other half of the brother team rolling for Sommerville's. Ward Wood was high for Thorsen's Lumber Co. with 540. Jim Lilak led the St. Joseph team with 555, while Herb Peebles was high for the Electricians with 489. Don Clark topped his State Farm Insurance team with 530 and Ike Rood was high for the Monarch Foods.

Leo Dipzinski led off with a 211 to top his team on 536, and the best effort for the E. J. Canners was John Atkinson's 487. Jay Hite started with 189, then came up with 190 for his second game and when he had a three-pin leave in the last frame he needed 2 pins to give him 191, but Jay missed all three pins for 189 for a 578 series, high for the Legionnaires. Cliff Bradshaw led the Recreation team with 510. Greg Boswell was tops for the Bank with 521 and Dick Hamerski led the Anchorage team with 530.

Team Standings:	W	L
Sommerville's Grocery	37	11
Monarch Finer Foods	32	16

Mrs. Walt Kerchner came over here from Gaylord for a few hours Friday. She expects to remain with her son and wife, Mr. and Mrs. Al Kershner till it gets warmer.

Female elevator operator in car alone with a Marine: "Going up—going up—anybody else going up? Please, will somebody else go up?"

SCRIPTURE, Exodus 14—15; Deuteronomy 5—6; Psalm 136.
DEVOTIONAL READING: Psalm 77: 11-20.

God In a Nation

Lesson for April 22, 1951

WHEN IS GOD IN THE LIFE of a nation?

Dr. Foreman

It depends on what you mean by the question. God is the Ruler of all nations, and Judge of them all. But some nations have been far more conscious of the true God and obedient to Him than other nations have.

• • •

God's Name on Paper

GOD CAN be mentioned often, yet not count for very much in a nation. For instance, His name can be on the money, it can be in the state ceremonies, it can be in the constitution, or if there is no constitution, the monarch may be said to rule "by divine right."

But such things may be no better than formal. The money can pass from wicked hand to wicked hand, it can be used for godless purposes by men who do not have God in all their thoughts. The name of God in public ceremonies (such as oaths of office) or in the constitution may mean no more than decorative designs on a letter-head. The king ruling by "divine" right may be a cruel and corrupt man.

Religious-sounding songs, such as "God Bless America" or "God Save the King", can be sung by rascals. No, God in a nation's life must be more than a name on paper, green or white.

• • •

God in Great Men

GOD BEGINS to get into the life of a nation when He gets into the lives of people. It is not disparaging the common man to point out the plain fact that as between one believer in God who is obscure, and another who is prominent and powerful, the latter means more in the long-run life of a nation.

It was so in the era of Moses. That was a time of religious confusion, just as it is today. Doubtless there were many humble persons at that time who had a living faith, but if it had not been for Moses, the nation of Israel would never have been a nation, but would have shrunk back into the ruck of little no-account tribes, never to be heard from again. When we hear that even Moses' own brother was so stupid or bad as to lead the people in worshipping a gold-plated calf, we can imagine what the masses of the people were like.

If the United States and Canada can be called Christian nations today, it is because we can point to men on both sides of the line who have been not only high-calibre, influential men, but also men not ashamed of their faith in God.

An American congressman who is respected by friends and opponents alike, has said it is more important to him to know what God wants than what his constituents want. Most governors of states profess religion; and some of the best of them practice it. What America would have been without such men, one can only guess; certainly far worse than it is.

• • •

God in Laws and Lives

GOD CAN also be in a nation's laws. It is true, we cannot run a modern nation or municipality on the laws of Leviticus, and nobody wants to, not even the preachers and rabbis. Still, the laws of a land either reflect the will of God or they do not. So far as the laws of a nation are in line with the teachings and truth of Christ, so far God is in the life of that nation.

But the question is not finally: What do the laws prescribe, but do the people respect the laws? God does not get deeply into the life of a nation until He gets into the homes of high and low alike.

If the nation of Israel ever became godly, they had Moses to thank; yet he himself was under no illusions as to the people he left behind him. "I know that after my death ye will utterly corrupt yourselves and turn aside from the way which I have commanded you." (Deut. 31: 29.)

It took centuries of toil and patience on the part of God and His prophets to change Israel from a nation mostly indifferent to God, to a people mostly God-fearing; and the change took place only as homes changed.

Is ours a Christian nation today? The answer is not in our constitution, not in our leading men, not in our history or laws or traditions; the answer is in our homes. When the cry goes up "Back to God!" the place to start back, and the place that counts most, is our homes.

A GUIDE FOR FUTURE PARENTS

How much will it cost to have a baby? How can you cut down on your expenses? These and other problems are answered in an authoritaive article, "So You're Going to Have a Baby", an intriguing feature in this Sunday's (April 22) issue of the American Weekly, great magozine, Exclusively with Detroit Sunday Times.

Startled by what she overheard her six-year-old daughter say to a playmate, she listened intently for what would come next.

"You know, you have to have a man to have a baby."

The playmate asked, "Why is that?"

"Well, someone has to pay for everything."

The Bob Hopes have it!

Bob Hope
Starring in
"THE LEMON DROP KID"
a Paramount Picture

Like all clever wives, Mrs. Hope "holds her star" by feeding him the things he likes. "When it comes to eating," she says, "Bob isn't any different from most men. He knows what he wants, and he wants it to be good. And I've found a way to make *everything* good. That's to cook with an Electric Range. There's no guesswork that way, and meals always come out just right. The Electric Range is my 'dish' for cooking!"

Whatever dish you cook, your own Electric Range will do it fast, thriftily, cleanly, without waste. Besides, everyone can afford the modern Electric Range. In fact, it's so saving of time, trouble and money that you really can't afford to be without it!

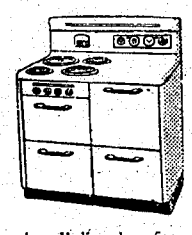

Bob Hope's Favorite
CANADIAN CHEESE SOUP

4 tablespoons butter or margarine
4 tablespoons flour
1 tablespoon paprika
½ teaspoon pepper
2 cups milk
2 cans condensed consomme
2 cups grated sharp cheddar cheese
½ teaspoon Worcestershire sauce
Dash tabasco
¼ cup minced pimientoes

Melt butter or margarine; blend in flour, paprika and pepper. Add milk; cook over low heat, stirring constantly until thickened. Add consomme, just as it comes from the can. Add cheese; stir until melted. Add remaining ingredients, salting to taste. Serve at once. Yield: 8 to 10 servings.

8 Good Reasons Why You Need an Electric Range

- Better cooking results
- It's clean
- It's thrifty
- It's automatic
- It's easy to use
- It's cool
- It's fast
- It's modern

Peach growers profit from new, hardy, early-ripening variety

Peach growers who long have wanted an early-ripening fruit that would ship well are profiting from the new Fairhaven peach. This variety is the fourth peach developed at the South Haven substation of the Agricultural Experiment Station of Michigan State College. It is designed for the market period after Redhaven but before Halehaven, Kalhaven and South Haven. The new Fairhaven features a hardy bud that is resistant to cold and fog, and a fruit that is firm and ships exceptionally well. When ripe, it is freestone. Growers interested in a sturdy, early-ripening peach can get further information by calling, writing or visiting their County Agricultural Agent.

Plow Speeds Farm Telephone Service

A specially designed plow is used to bury wire along roadsides for telephone service in rural areas where this type of construction is less expensive than building lines on poles. The plow leaves no trench . . . buries the wire in a single operation. This is another example of telephone efficiency working for you . . . speeding construction of more rural telephone facilities, and helping to keep cost of service low. It's one of the reasons why the proportion of farmers with telephones in Michigan is among the highest in the nation.

WEEKLY EATING CLUB — By Jim Barstow

FARM FACTS from your County Agricultural Agent

LEGUME TREATMENT HELPS SAVE SEED:

Treatment of alfalfa seed may not increase yields, but it will help save seed and obtain a more uniform stand, advises Ed Andrews, extension specialist in plant pathology at Michigan State College.

With alfalfa seed prices as high as they are this year, seed treatment is a wise practice. Treating seed legumes has controlled damping-off and given better stands when poor quality seed is planted in cold, wet soil. This is particularly true for large seed legumes such as soybeans when seed is cracked and damaged.

Since cost of treatment is very low per acre, county agent Ed Rebman, believes farmers should plan to treat their legum seeds. Growers frequently will be unable to detect poor quality in seed and cannot hope to predict growing conditions at planting time.

Arasan or Spergon, eight ounces per 100 pounds of seed, are used for alfalfa and clover (except sweet clover). Andrews emphasizes that sweet clover should not be treated.

For soybeans, Arasan or Spergon is used at the rate of two ounces per bushel of seed.

For small amounts of seed, shake the seed and an excess of the dust treatment material together in a suitable container. Then sift off the excess dust. Be sure that all of the dust that does not adhere to the seed surface is sifted from the seed. Pockets of dust tend to accumulate in the hopper of the planter and will kill young plants as the seed germinates. Use care in handling the treating material.

Treatment with the above material can be done any time before planting. Nodulation will not be reduced if innoculation is applied immediately before planting is directed.

SPRING LAWN CARE:

If you want that lawn to do it's best during the coming growing season this is the time to go to work. Here are recommendations from Jim Tyson of the Michigan State College department of soil science.

Perhaps some of you have already given your lawn it's spring "feeding" with fertilizer. There's nothing more important to the lawn than this "feeding." The grade of fertilizer recommended for Michigan is 10-6-4, meaning it contains 10 percent nitrogen, six percent phosphoric acid, and four percent potash. Broadcast this carefully at the rate of one pound per 100 square feet. If you aren't able to get the 10-6-4 fertilizer, you can use one of the general purpose mixes which contain four to five percent nitrogen, such as 5-10-5 or 4-12-4. However, since these are lower in nitrogen, increase the application rate. For 2½ pounds per 100 square feet.

Don't make the mistake of apply

Don't make the mistake of applying lime to your lawn. The reason is that even if the soil is acid before the lawn is started there is so much lime in Michigan water that every time you water the lawn you apply lime to the soil. You just waste your time applying lime any other way and according to Ed Rebman, county agent, most soils in this county don't need lime.

The first warm day that finds the soil moist and workable is the time to rake off the accumulation of rubbish and dead grass. Then roll it once with a heavy-roller. After you've done this relax for a couple of weeks and just let the lawn grow. Don't try to start it too soon.

MR. MERCHANT

Do you keep secrets from the people who shop in East Jordan? We mean of course, have you told them of the values they can get, or the money they can save, by shopping at your store. Or are you just waiting for them to happen in looking for some special article?

Don't encourage your customers to do mail order or out of town shopping by keeping your shopping values a secret. Don't make a shopper just happen to learn of your good bargains. He may learn too late that he could have bought better quality, or more quantity at your store for the same price he paid elsewhere.

Spring is here, so the calendar tells us, and with it come many new opportunities for the retail merchant. This is the time when your customers will be busy cleaning, painting, fixing up, replacing old with new, changing this and that, getting ready for the spring and summer months.

You, Mr. Merchant, should take advantage of the increased opportunities for business, whether you be selling paint, shoes, cars, soap, lawn mowers, or spring tonic. Don't let these opportunities slip by you. Make sure that you get your share of this increased business.

The best way to make sure that East Jordan shoppers will be well informed is by advertising in your local newspaper. For less than a HALF CENT PER COPY, you can buy enough space in the Charlevoix County Herald to run a large, attractive display ad, which will reach those you wish to reach without being discarded before it is even read.

You will get more out of your advertising dollar by advertising in your local newspaper.

The Herald can help you with interesting suggestions for your advertising program. You will reach the right people, at the right time, for the right price, by advertising in the Charlevoix County Herald.

Remember, MERCHANTS WISE—ADVERTISE!

MILES DISTRICT
(Edited by Mrs. Claud Gilkerson)

Mrs. Howard Donaldson called on Mrs. Fred Bancroft Saturday.

The Lutheran Ladies Aid met at the home of Mrs. John McCullum Thursday.

Betty Sloop of East Jordan spent Sunday with Donna and Kay Gilkerson.

Mrs. Lee Backensto of Osceola, Ind., called on Mr. and Mrs. Elmer Hott Monday evening.

Mr. and Mrs. Roy Staudenmeyer called on Mr. and Mrs. Claud Gilkerson Tuesday evening.

Mr. and Mrs. Chester Donaldson of Ellsworth called at the Howard Donaldson home Monday.

The Miles District 4-H Dairy Club will meet at George Nelson home Wednesday, April 18.

Mr. and Mrs. Silas Doctor and family of Atwood visited Sunday evening with Mr. and Mrs. Wm. Ross.

Mr. and Mrs. John McCullum and Mr. Frank Addis spent an evening with Mr. and Mrs. Elmer Hott.

Mr. and Mrs. Roy Rushton of Detroit spent Saturday and Sunday with Mr. and Mrs. Fred Bancroft.

Rev. and Mrs. Sattelmeier and family of Boyne City called on Mr. and Mrs. August Bulmann Sunday evening.

Mr. and Mrs. Howard Donaldson and family called on Mr. and Mrs. Levi Donaldson of Ellsworth Sunday afternoon.

Mrs. Joe Duplessis, Mrs. Joe Zitka and daughter, Ula, called on Mr. and Mrs. Claud Gilkerson Monday afternoon.

Mr. and Mrs. Elmer Hott called on Mrs. Dorothy Hott Sage at the T. B. Sanitarium at Gaylord, also called on Mr. and Mrs. Henry Schlinger and family also of Gaylord.

Mr. and Mrs. Frank Ingalls and sons of East Jordan spent Sunday afternoon with Mr. and Mrs. August Bulmann and family. Larry remained and spent the night with Milton.

Willard Bearinger and son, Lewis, Mr. and Mrs. Bryce Petrie and Dale Petrie were supper guests Saturday of Mr. and Mrs. Douglas Gilkerson. The occasion being Lewis's birthday.

Mr. and Mrs. Henry Kamradt, Jr., of Grand Rapids spent Monday and Tuesday with Mr. and Mrs. August Bulman and other relatives. They brought Elmer Kamradt home from Ionia where he has been visiting the past three weeks.

PROBATE ORDER
PROBATE OF WILL

State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 3rd day of April, A.D. 1951.

Present, Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Sverke Ulvund, Deceased. James O. Ulvund, having filed his petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased and that administration with Will Annexed of said estate be granted to himself, the said James O. Ulvund, or some other suitable person.

It is Ordered, That the 23rd day of April A.D. 1951 at ten A.M. at said Probate Office is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing in the Charlevoix County Hearld, a newspaper printed and cirulated in said County.

FLOYD A. SUPP,
Judge of Probate.

Trout Season Opens April 28th

DEPARTMENT PREDICTS BETWEEN 80 AND 100 THOUSAND FISHERMEN ON TROUT WATERS

Should good weather and normal stream conditions prevail, the conservation department estimates that 80-100,000 fishermen will be on trout waters on the April 28 opening weekend.

Spring run-off on northern streams has been gradual so far but a barrage of April rain and unseasanal cold would dampen the spirits of the most ardent trout seeker.

A favorable start would be a sharp contrast to the 1950 season opener, Fred Westerman, state fisheries chief, remainds the few who may have forgotten. Below average fishing conditions were more the rule than the exception last year. Trout stamp sales tapered down to about 170,000 or about 12,000 fewer than in 1949.

The department advises there are no general fishing regulation changes on taking brook, brown or rainbow trout. Daily catch or possession limit in any combination of the three species remains at 15 (five from trout lakes) but not more than 10 pounds and one trout. Minmum size limit is seven inches.

The department points out there are few sections of experimentally-classified trout water where fishing is mostly by permit and special rules apply. These stretches are plainly marked and signs indicate nearby permit stations. Trout ponds subject to special rules are posted. Ponds and designated trout lakes are identified in the fish law digest. A copy of the digest can be secured when the trout stamp is purchased from the license agent.

With backtrails reasonably free from mud, trout planting crews may be able to release as many as 250,000 legal-size trout before opening day. Approximately 200,000 "keepers" have been planted annually the last several years, prior to the season opener.

The resident trout fishermen still will pay $1.50 for his regular fishing license and $1 for the necessary trout stamp. Nonresident fees: annual license $3, temporary $2 and trout stamp $1. Stamp must be pasted on the license in the alloted space. License must be carried at all times when fishing.

There are over 100 public fishing sites which permit access on northern trout streams. Field crews plan to have them cleaned up an ready for first fishermen of the season.

There are a number of forest, park and public fishing sites where the fishermen can pitch a camp by or close to trout waters.

The department again will have experimental weir operating on the East Branch of the Au Gres near Boyne City. Weir was installed lsat year to test possibility of harvesting more spawning rainbows before they migrate back to Lake Huron. Sea lampreys accumulated below the weir will be destroyed.

Legume Treatment Helps Save Seed Says M. S. C. Specialist

Treatment of alfalfa seed may not increase yields, but it will help to save seed and obtain a more uniform stand, advises Ed Andrews, extension specialist in plant pathology at Michigan State College.

With alfalfa seed prices as high as they are this year, seed treatment is a wise practice. Treating seed legumes has controlled damping-off and given better stands when poor quality seed is planted in cold, wet soil. This is particularly true for large seed legums such as soybeans when seed is cracked and damaged.

Since cost of treatment is very low per acre, Andrews believes farmers should plan to treat their legum seeds. Growers frequently will be unable to detect poor quality in seed and connot hope to predict growing conditions at planting time.

Arasan or Spergon, eight ounces per 100 pounds of seed are used for alfalfa and clover (except sweet clover). Andrews emphasizes that sweet clover should not be treated.

For soybeans, Arasan or Spergon is used at the rate of two ounces per bushel of seed.

For small amounts of seed, shake the seed and an excess of the dust treatment material together in a suitable container. Then sift off the excess dust. Be sure that all of the dust that does not adhere to the seed surfaces is sifted from the seed. Pockets of dust tend to accumulate in the hopper of the planter and will kill young plants as the seed germinates. Use care in handling the treating material.

Treatment with the above materials can be done any time before planting. Nodulation will not be reduced if innoculation is applied immediately before planting as directed.

PENINSULA....

(Edited by Mrs. Emma Hayden)

Master Gilbert Arnott had the misfortune to fracture his right arm. He is in Charlevoix hospital.

Mr. and Mrs. Geo. Frances who live on the Chas. Arnott farm are the parents of a baby boy born at the Charlevoix hospital Saturday morning.

Only eighteen present at Sunday School.

The Pinochle Club surprised Arleen Barger on her birthday Saturday. There were 12 present. She received some lovely gifts and has the well wishes for many more birthdays.

The neighbors surprised Mrs. Mary Reich on her birthday, Friday evening. There were 19 in all.

Mr. and Mrs. Bud Billideau of Detroit spent the week end with their sister and family, Mr. and Mrs. Ken Russell. They came up for the smelt run.

Mr. and Mrs. Albert Peters and family spent Sunday with Mr. and Mrs. Boyd Crawford as did Mr. and Mrs. Lyle Peters and family and Mrs. Leah Peters. The occasion was Mrs. Crawford's birthday.

Mr. and Mrs. Bill Caraway of Petoskey visited Mr. and Mrs. F. K. Hayden and Richard M. Beyer. Mr and Mrs. Clarence Foltz and family were also callers.

Richard Beyer sepnt Monday in East Jordan visiting friends and relatives.

The Peninsula was well represented at the Creamery meeting.

WEST PENINSULA. . .

(Edited by Mrs. Wm. Gaunt)

The Happy Gang 4-H Club met at the Alfred Crowell home Saturday with their leader, Mrs. Arthur Kaley. There were ten members present. Mrs. Kaley sent for T-shirts for the boys. The next meeting will be at the Kaley home. They have their projects nearly finished.

After the 4-H club meeting several of the members went to the Elmer Olstrom home to help Darlene and Marlene Olstrom celebrate their birthdays. They played games and were treated with ice cream and cake. Before departing everyone wished the girls many more happy birthdays.

Mr. and Mrs. Leslie Sheridan and family are enjoying riding around in their new Ford car.

Henry VonSoosten, Alfred Crowell and Louis Prebble were baling hay at the Frank Behling farm last week, Friday.

Mr. and Mrs. Wm. Gaunt, Sr., took Sunday dinner with their daughter and family, Mr. and Mrs. Alfred Crowell.

Peter Umlor, Bill and William Gaunt drove out to the Charlie Stanek farm, near the Bricker Mill, and bought some cherry trees.

Mr. and Mrs. Henry Howard spent Wednesday evening with Mr. and Mrs. Edwin Phillips at the Ruston.

Mr. and Mrs. Harry Howard spent Wednesday evening with Mr and Mrs. Bill Gaunt, Jr.

Mr. and Mrs. Dave Johnston and daughter, Patsy, of Cadillac, drove up Friday evening to the Robt. Myers' home to get Mrs. Anna Johnston who has been visiting with her brother and sister the past two weeks. They also called a few minutes at the Wm. Gaunt home to pick up some maple syrup.

Eugene Umlor went to Petoskey Friday to give blood for his brother who is in the hospital.

Mr. and Mrs. Lou Antoine, Mr. and Mrs. Bob Cutler and Mr. and Mrs. John McSorley of Grand Rapids spent the week end at the Rustan doing some smelt fishing.

The jamboree at Advance last Saturday night was well attended. There must have been 2,000 people there, but not too many smelt.

Evangelical Lutheran Church

Phillip Fretheim — Pastor

Michigan Mirror

Non-Partisan News Letter

The post-election mood of many legislative leaders is distintly cool towards making any tax deal with G. Mennen Williams.

Reasons: (1) Williams' partisan attack on Dr. Lee Thurston, state superintendent of public instruction, alleging inaction in an offical inquiry into the Litchfield school-padding scandal. (2) The voters' reaffirmation of confidence in the Republican party as shown by the spring election outcome.

The governor keeps insisting that a state corporation profits tax is not a "consumer" tax and that "it could not be translated into a general price increase." His statement is at direct variance with the accepted fact that federal income taxes imposed upon corporation are paid ulimately by consumers in the form of higher prices.

Republican legislative leaders are apt to press for enantment of a gasoline tax increase, already approved by the Senate, and let the chips fall where they may. Such a levy coupled with additional taxes on corporations may be the final answer to needs for better highways and a solution of the state deficit.

The spring election didn't boost the governor's stock with the state legislature.

The unique means of determining draft status for those seeking college training seems established. Centers hae been designed all over Michigan to give examination which will determine whether the students are sufficently promising as college material to warrant their deferments from military service.

Opposition has been discovered to the plan. Some selective service boards, sparked by Grand Rapids board No. 43, vow they will defer every farm worker in their jurisdiction if college deferments are allowed. Says Gen. Glenn B. Arnold, Michigan director: "If a board refuses to abide by the regulations, it will be removed."

The senate has delivered a stinging slap at the University of Michigan. It has approved a measure providing that any state institution selling TV rights must make provision for free public reception. Says Sen. Harold M. Ryan (D-Detroit): "last year the University piped a broadcast into a Detroit Theater and charged $2.50 to viewers—where does that leave the fellow with the TV set?"

Philip A. Hart officially has rsigned as commissioner of state corporation and securities commission to continue as director of the Detroit office of price stabilization to which post he was appointed some 2½ months ago.

Dr. Lee M. Thurston, superintendent of schools, urges high school graduates to go ahead with plans to attend college despite draft fears. He says the student may get in one or two years before induction and his program can be more easily completed upon discharge.

Michigan will graduate 25,000 high school students this spring.

Michigan's TB death is declining .Discovery of new cases has remained about the same over the last 10 years. Some 6,000 cases are diagnosed annually, as against 5,900 cases per year between 1930 and '39. But the death rate has been cut in half in the last 20 years.

State road maps which have been so difficult to find the last few months now have been disthibuited. More than 300,000 have been sent out.

Last year 36,417 Michigan residents paid $11,286,439 in intangible taxes on stocks, bonds, mortgages, land contracts and accounts.

The automobile industry in Michigan has completed its largest first quarter out-put in the history of the business—some 2,000,000 units. It is reasonably confident of doing approximately as well in the next three months. And most car makers are planning on producing guns and civilian goods simultaneously. Perhapes that predicted automobile shortage won't mature.

Another large crop of pheasants is expected in southern Michigan this years. According to rural mail carrier and conservation winter surveys the game birds did not suffer too much from the heavy winter. Too, last year's delayed growing season resulted in an abundance of unharvested corn in many areas which offered a larger than unual food supply.

Frank G. Pardee, state mining engineer and appraiser, has been loaned to the office of defense mobilization in Washington, D.C. Working with the defense minerals administration, he will be in charge of western hemisphere iron ore resources development and supply.

The School Bell . . .

SUPERINTENDENTS MEETING

Supt. E. E. Wade spent last Thursday at a meeting, of the Superintendents of the schools from Cadillac north to the Straits, at Boyne City. The meeting started at 12 noon and lasted until about 4 P. M. Dinner was served.

The meeting was held to discuss current legislature, local school problems, teachers salaries, and tax rates. At this time two superintendents, Supt. B. C. Shanklin of Cadillac and Supt. L. E. White of Boyne City, were elected to meet with representitives from five of six other such meetings to draw up legislation which all the schools of the state will like

ASSEMBLY

An assembly program will be held in the Eastt Jordan gym Thursday at 10 A.M.

A troop of roller skaters will be here to obtain and demonstrate skating in their colorful costumes. They will bring their own roller rink mat. Some students will participate.

FIRST Grade — M. Stokes

We are learning about money.

We have fun counting it.

We learn about pennies, nickles, dimes and quarters.

We have a turtle at school, in the sand-box.

We have fun with it.

We feed it worms and turtle food.

We copied the poem "The Little Turtle" by Vashel Lindsay, from the board We can recite the poem.

The Stokes kid, Nancibell, came to school Friday. She said "Ah-ah-aah."

She visited all the grade school rooms.

She slept in a box.

Carolyn fed the kid its bottle of warm cow's milk at noon.

When Nancibell drank her tail went back and forth.

We all like her and we all petted her.

We are learning about birds.

She seemed to like us.

Mrs. Stokes reads parts of the "Burgess Bird Book" to us.

We have heard about Jenny wren, robins, blue-birds, flickers, and others.

We are making bird houses.

FIRST Grade — Mrs. Brooks

Charles Francis has gone to Vanderbilt. We are sorry to have him leave us.

Gertrude Martineck has returned from her vacation in New Buffalo and is trying to catch up with the Bears who kept on working while she was gone.

Our sand table has changed to a garden. We planted tomatoes, petunias and nasturtiums.

We are each making a bird book. Today we colored a Scarlet Tanger. Yesterday we colored a Goldfinch. We are keeping watch for real live birds and have seen robins and blue jays.

SECOND Grade — Mrs. Johnston

We are continuing our study of the signs of spring. Last week we went for a walk. We saw many robins and blackbirds. We saw Crocuses coming up and there were buds on the bushes.

We have begun the study of the robin. We hope to learn more about the common birds found around East Jordan. We will make a bird book in which to keep all of our information and pictures of the various birds.

We are interested in our gym period on Thursday. We are playing games outdoors on nice days.

Last week we made "get-well" cards for Jean Kraemer and Barbara Kortan. Both little girls were back in school Monday.

Mrs. Johnston is reading to us the third book of the Bobbsey Twin series. This book tells the experiences that the twins had at the sea shore.

We enjoyed seeing Carolyn Stokes' baby goat, Nancibell. Carolyn came to our room and let each one of us pet the kid. We wouldn't mind having it for our own little pet.

We made birthday cards for Bobby Omland. Bobby was eight years old last Saturday.

Our motto this week is "Are we doing our share of work?"

Monday we saw the movie "The Gingerbread Boy." We thought it was very good.

Mrs. Scott, Donellda's mother, visited our room last Thursday afternoon.

THIRD Grade —Mrs. Hager

We are glad that Mrs. Hager is improving. This week, we made spring pictures and ducks for our blackboard. Many thanks to Mr. Wade for the new baseball and bat for our room.

FOURTH Grade — Lois Snyder

Paul Hibbard transferred to our room this morning bringing our enrollment back up to forty. Paul was in school here part of last year but has been attending Clark School in Flint this year. We are interested to learn that he has been using some of the same books we have. We are glad to welcome him to our school again.

Friday we had a very popular visitor. Carolyn Stokes brought her baby goat, Nancibell. She is about two weeks old but very frisky and already quite sure-footed. She was very well behaved and made a big hit with us. We hope she will come again so we can watch her development.

We are studying birds and have made some drawings for the bulletin board. Mrs. Snyder is reading "The Burgess Bird Book for Children." It is an interesting and exciting story of how a rabbit visits with the birds, describes them and often finds where they have hidden their nests. Jenny Wren has an important part in the story, as she supplies Peter Rabbit with much of the information he seeks.

Our study of Australia is very interesting. We like to read about the strange birds and animals that live only in Australia. Carolyn Malpass and Janet De Haven are preparing reports on the valuable eucalyptus trees. We would like to have a baby kangaroo or a koalo for a pet.

FIFTH Grade — E. Dhaseleer

Mr. Wade brought us ten new social studies books. The material in them seems to be very interesting as they give both the history and the geography of our country.

We saw two movies this morning. One was on the "Southern Highlands, the people who live in the southern Appalachians. The other was on "Gloucester, Massachusetts". They helped to make our geography more real.

For English we have been working on business letters. They must be neat and only as long as necessary. We must also know where to put capital letters and proper punctuation.

The library has received many new books this year for boys and girls our age to read. Miss Scott has been bringing some new ones to our room from time totime.

SIX Grade — Mr. Malone

Last Friday, we had an animal visitor. It was a little goat which belonged to Carolyn Stokes.

Carol Francis is moving to Vanderbilt where she will make her new home.

The boys in our room played baseball with the other sixth grade boys. Our room won 25 to 12. The boys also beat the 5th and 7th grade boys with the score 7 to 0 with the seventh, and 6 to 4 with the fifth.

Most of the children in our room had shots Tuesday, for diptheria, whooping cough, and tetanus.

Reporter Vera Judy

FIFTH Grade — Mrs. Liskum

We wist to congratulate the three fifth graders in our room and Karen Touchstone in Miss Dhaselier's room, who placed in the Cancer Poster Contest. Linda Bustard placed first in the county with an award of $10. Dale Looze and Nicholynne Meyers as well as Karen, each won $1.00.

We have nearly completed our conservation books for 4-H sewing have finished their towels, and are working hard on their skirts.

Tuesday afternoon Mrs.Liskum's father visited our room. He told stories of his experiences while living in North Dakota. He told of hunting ducks and geese when a hunter could shoot 100 ducks a day. He related his experiences searching for and arresting horse thieves while working as a deputy sheriff. Once while crossing the Missouri River on horseback, he had to get into the water and hold onto the horse's tail and be towed ashore because the horse couldn't make it carrying a man. We wish to thank Mr. Murphy for visiting our room and telling us such interesting stories.

Manure On Farm Has High Value

Value of manure produced on a farm often comes to a high figure.

A. R. Wolcott, Michigan State College agronomist, says that a six-month accumulation of manure on a farm carrying 12 milk cows and the corresponding young stock is equal to five and one-half tons of 10-5-10 fertilizer.

That is worth approximately $300 at present day fertilizer prices.

During spring months when field work is heavy, it's easy to neglect manure spreading. Don't allow this to happen, advise MSC agricultural authorities. Keeping valuable manure in circulation will mean dollars saved and higher crop yields.

Simple Plans Make Most Attractive Landscape On Farm

Why merely admire attractive landscaping on your neighbor's farm when you can make similar improvements on your farm, asks Joseph T. Cox, landscape extension specialist at Michigan State College.

Most successful landscaping improvements narrow down to a logical arrangement of buildings, lawn areas, and plantings, he says.

Most of us cannot do much abchanging building locations, but out changing building locations, but we can plan better approaches to them. Does your present driveway guide guest to your favorite door? Make the drive wide enough to allow parking space near your front door for two or three cars.

How are your lawn areas arranged? Having them arranged as public lawn, family lawn, and service lawn provides a place for home grounds ctivities. Open expanses of grass with shrubs and flowers at the edges gives an enclosure effec.t Trees for shade and relief of bareness are very desirable here.

Private lawn spaces at the side of rear of the house need screen plantings for enclosure and privacy for family activities. The service or clothes drying yard can be located in an out-of-the-way place not too far from the back door.

Planting necessary to give your grounds a refined apearance will consist of foundation groups about the base of the house, border or enclosure masses, and trees for wind protection and shade.

Follow a program of proper maintenance for your grounds as they now exist, Cox advises. Explore the adjustments you could make to add convenience and better appearance to your farmstead.

The landscape planner reconizes that practical and convenient grounds will be attractive grounds because they require less time for upkeep.

Make good use of a tray to remove food and dishes from the dining table to the kitchen. You'll be amazed at the saving in time and steps.

Who's Who With The Seniors

LINDA REA PETRIE

Linda Rea Petrie was born February 16, 1933 at Central Lake, Michigan. She is the daughter of Mr. and Mrs. Rodney Petrie of East Jordan and has five sisters and one brother.

Linda has attended East Jordan School all her life. During her high school years she has participated in many activities. They are: Band, Glee Club, Mixed Chorus, F. H. A. Student Council, Biology Club, Photography Club. She also sings in the Girls' Quartet.

Linda's plans for the future are attending Western Michigan College at Kalamazoo.

MAX DENNIS SOMMERVILLE

Max Dennis Sommerville was born February 7 1933 in East Jordan. His parents are Mr. and Mrs. Leo Sommerville. He is the youngest of three children... He has a brother, Jack and a sister, Frances.

Max has spent all of his school years in East Jordan.

Activities Max has taken part in are: four years of football, basketball, and baseball, also one year of track. Max was secretary of his class for two years, and has taken part in all three of the class plays.

He plans to attend Michigan State College.

VERGELEEN IRENE THOMSON

Vergeleen Irene Thomson was born May 26, 1932 in Alba, Michigan. Her parents, Mr. and Mrs. Noel Thomson, moved to a farm near Ironton when she was 12 days old. Puddy (as she is often called) attended grade school in Ironton. She came to us in the seventh grade. She has seven sisters and five brothers.

Activities Puddy has enjoyed are: Cheerleader, Year Book Staff, F.H.A., Biology Club, Photography Club, and Pep Club. She worked on the make-up committee for the Junior and Senior Plays.

Her future plans are to be a beautician.

The American Way

Spring time is garden time in Michigan. And after a spading, hoeing, planting . . . "The American Way" is to ease that pleasantly tired feeling with a cool, refreshing glass of Michigan brewed beer.

For beer belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*
